# Who We Are

## ENVIRONMENTALLY CONSCIOUS

We are witnessing the continuous destruction of our planet's resources. Is this the legacy we want to leave behind? Naa Uhh, not under Baba Black Sheep's watch. Everything we provide to our customers has been recycled, as we want to show the world that the marriage of fashion and sustainability can be cool. We are here to start a movement around a zero waste textile economy, and the adventure has just begun.

## HANDMADE WITH LOVE

There's nothing more satisfying than the act of giving. Seeing the smile on your loved one's face and knowing you are the reason behind the smile. That's the feeling we, here at Baba Black Sheep, want to provide you with. Thus, we have handmade and hand packed a whole lot of love and thought into everything we send your way, just to see that smile. All we expect in return is for you to keep spreading the love.

# Who We Are

## DIVINELY COZY

Our products speak for themselves. Our motto is once you touch it, you'll love it. All our products are 100% cashmere, which makes sense as to why they're divinely cozy. Don't believe us? Take a leap of faith and make your first purchase today. If you truly haven't been convinced, which we'll find quite difficult to believe, we'll refund your order.

## SOCIALLY RESPONSIBLE

We are where we are because of the love and support from numerous people around the world. We believe in the power of joining hands with our community in order to make strides for society. Because of our commitment to this philosophy, we donate 2% of our sales to Special Needs schools. This is us ensuring that supportive communities, and doing good, continue to grow and flourish.
